

DAU Virtual Campus (Atlas Student Edition) Browser Compatibility

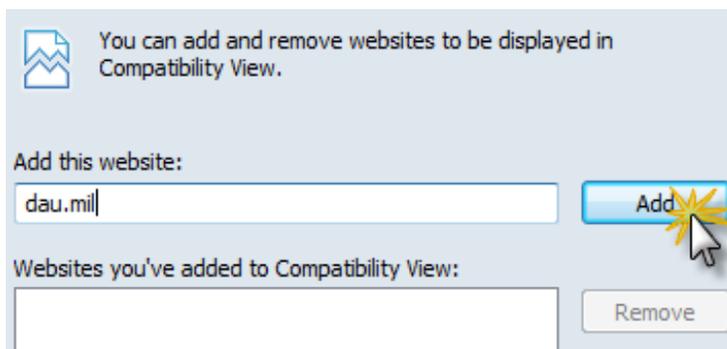

If you are using Microsoft Internet Explorer version 8 or higher, you may need to enable "Compatibility View" to overcome display issues, login-related problems, or issues with course reference links. Please follow the steps below to enable your browsers Compatibility View.

Step 1: Within Internet Explorer, click on the "Tools" menu (*Keyboard Shortcut: "ALT" + "T"*).

Step 2: Select "Compatibility View Settings".

Step 3: Add "dau.mil" to the list of sites to enable Compatibility View.

Step 4: Click on "Close" at the bottom.

Step 5: After enabling this feature, please restart Internet Explorer.

Step 6: Return to <https://learn.dau.mil/>
