None specified																				

Notes:

- 1 The Core Certification Standards section lists the training, education, and experience REQUIRED for certification at this level.
- 2 "(R)" following a course title indicates the course is delivered as resident based instruction.

3 When preparing your IDP, you and your supervisor should consider the training, education, and experience listed in this Core Plus Development Guide if not already completed.

7 Workforce members assigned to the position(s) identified in the Unique Position Training Standards section should meet the training standard(s) identified within 12 months of assignment.

12 See 10 U.S.C. 1724 exempts DoD GS-1102 series employees and military equivalents serving in the DoD on or before 30 Sep 2000; contracting officers with authority to award in excess of the SAT serving on or before 30 Sep 2000; as well as members of the Contingency Contracting Force from the requirement for a Baccalaureate degree.

13 Some continuous learning (CL) modules have been created by extracting lessons in their entirety from a training course. If this is the case for the CL module(s) identified in the above core certification standards, the course from which the CL module was extracted is identified in the "Notes" section of the CL course description and the course can be substituted to meet the certification standard.
