| ISA 101 Basic Information Systems Acquisition | ✔ | ✔ | ✔ |

### Education

| None specified |

### Experience

| None specified |

**Notes:**

1. The Core Certification/Training Standards section lists the training and/or education and experience REQUIRED for certification at this level or training for this career path within 24 months of assignment.

2. 

3. When preparing your IDP, you and your supervisor should consider the training, education, and experience listed in this Core Plus Development Guide if not already completed.

13. Some continuous learning (CL) modules have been created by extracting lessons in their entirety from a training course. If this is the case for the CL module(s) identified in the above Core Certification Standards, the course from which the CL module was extracted is identified in the "Notes" section of the CL course description and the course can be substituted to meet the certification standard.
