Notes:

1. This PCD is intended to assist in determining which AT&L career field/path to assign to an AT&L position per Title 10 sec. 1721. If 50% or more of the duties and responsibilities of the position match the "General Acquisition-Related Duties" described below AND the preponderance of those duties match the "AT&L Career Field/Path Specific Duties" described below, assign the position to this position category.
2. All acquisition positions require management attention with respect to certification requirements and individual development. See reference (c).
3. Critical Acquisition Positions (CAPs) are a subset of acquisition positions and Key Leadership Position (KLPs) are a subset of CAPs. Both CAPs and KLPs represent positions with responsibility and authority that are critical to the success of a program or effort. These positions require management attention with respect to Acquisition Corps membership, tenure and other specific statutory requirements. See reference (c).

General Acquisition Related Duties: The conceptualization, initiation, design, development, test, contracting, production, deployment, logistical support, modification, and disposal of weapons and other systems, supplies, or services (including construction) to satisfy DoD needs, intended for use in, or in support of, military missions.

AT&L Career Field/Path Specific Duties:

All aspects of acquiring life cycle management (from concept development through ultimate disposal) of DoD installations, facilities, civil works projects, airfields, roadways, and ocean facilities that support military missions. Includes design, construction, environmental management, base operations and support, housing, real estate, and real property management.

Typical Line and Staff Position Titles: Various engineering, architect, planning, real estate, and environmental job titles. Also includes facility manager, maintenance, inspection, and public works job titles.

Typical Position Locations: Acquisition organizations within the service components (i.e., Systems Commands, Materiel Commands, DRPMs, PEOs, as well as organizations/installations/field activities directly supporting such organizations). Other DoD Components, Agencies and OSD/Service/HQ staff elements performing/supporting acquisition related functions.
